

Echo 27/28in Saw Chain 721 Series .050 Gauge

REC72LPX93CQ

Details

ECHO's 27 in. replacement chain (72LPX93CQ) is designed with professional loggers and forest workers in mind. Power and precision are the name of them with this chain. The low-vibration full chisel cutters deliver ultimate performance, while the offset gauges prevent cutters from driving into the sidewall, which in turn provides a smoother cut. The enhanced cutter coating provides superior protection against corrosion resistance. By replacing your chain with a genuine ECHO replacement chainsaw chain that's been manufactured to deliver maximum performance and reliability you help to extend the life of your chainsaw bar and keep your equipment running at peak performance. For Echo Models: CS-620P, CS-620PW, CS-680 and CS800P. Compatible with 27 in. DOPS Guide Bar: 27DOPS3893
