

## Internal Rotor - Full Circle

### RGWDI5025

#### Details

A full 4-inch pop-up in a tough, commercial-grade plastic case clears tall turfgrass for uniform coverage in square or triangular spacing, and the rolled-over flange keeps turfgrass clear of riser and nozzle. Stainless-steel riser resists damage and vandalism. Special design eliminates blow-by and reduces pressure loss to improve system performance. Dual-direction flushing protects internals from debris and ensures positive pop-up/down, and the heavy-duty spring assures positive retraction. Full circle and adjustable patterns for maximum flexibility. Easy arc adjustment without any tools-radius can be adjusted up to 25%. Compact cartridge makes repairs quick and easy, and the Quick lock design permits service from the rotor's top. Nozzle kit offers fully interchangeable nozzles and is included with each rotor.

#### Specifications

Manufacturer	Weathermatic
Body Height	9.75 in
Exposed Cap Diameter	6.5 in
Inlet Size	1 in
Maximum Pressure	100 psi
Minimum Pressure	40 psi
Pop-up Height	4 in
Sinkler Flow	11.0 - 31.3 gpm
Sinkler Operating Range	50 - 80 psi
