

Spyker Ergo-Pro 50 lb Broadcast Spreader RSPY50L-1P

Details

Designed to spread seed, sand, fertilizer and ice melt. The bridge-free hopper geometry allows material to flow to empty. The ergonomically designed welded handle adjusts for operator's height 5 ft 3 in to 6 ft 8 in to reduce fatigue. Includes Spyker Dial for accurate spreading material and Accuway for consistent and even 4 to 12 ft spread width. Fully enclosed metal gears and all-welded impact-resistant frame. Large 13 in x 5 in pneumatic tires with turf tread. Includes fitted cover and full deflector. Poly hopper with powder-coated frame.
