

## Rootwell Shrub Stick - 2in x 12in

## **Details**

One of the major benefits of the ROOTWELL is the ability to bring oxygen down to the roots. However, you may manually water and feed your plant through the removable 1" opening at the top of the ROOTWELL \*\*The quantity of water to apply should be determined by your local nursery or plant specialist. The same holds true for fertilizers. See R&R Irrigation section in this catalog for more information.

Designed for shrubs. Units measure 2" in diameter and 12" in height.
